

Julie Ann Mustard

December 9, 1952 - May 18, 2018

Hampshire — Julie Ann Mustard, 65, passed away Friday, May 18 In her home, she was the victim of an aneurysm that flooded her brain with blood while she was sleeping.

Julie was born in 1952 to the late Ruth and Claude Vander Pal at the Woodstock Hospital. After Claude passed way, Ruth married Bill Seaver, and Julie changed her last name to Seaver when Bill adopted her. She is survived by brothers, Ben, Stanley, Steve, and Terry. Her brother, Michael and sisters, Kathy and Claudette preceded her in death.

In 1982 Julie was living in Gold Hill, Oregon when she was introduced to John Mustard. It was an instant and extraordinary meeting of soulmates, and they were married in Grants Pass, Oregon June 29, 1983. Their new melded family included, Tim (Rebecca), Jason (Jessica), and Jeremy (Tone) from John's earlier marriage, and Tracy (Josh Kuhn), and Rod (Vergieanna) from Julie's previous marriage. Those children were the lights of Julie's life as they grew up. All five are now adults and have met and married their soulmates, and they have delighted Julie and John with 11 of the most wonderful grandchildren a proud grandparent could hope for.

Julie's large family includes many nieces and nephews, who have their children, and in some cases, grandchildren. Julie doted on all of them, and they returned her devotion with their own love and affection.

Julie was a long-time project manager for Cigna Insurance and before that, Cigna's subsidiary Intracorp. She retired two years ago but missed her work and team mates so much that she signed back on as a part time Encore Employee. She loved her job, and especially her team and manager, who she often bragged are some of the most talented and successful employees in the vast Cigna organization.

Julie believed strongly in organ donation, and Gift of Hope was able to match her donation with five people in desperate need of transplants. She would hope that you will make the same important commitment.

She also loved the work of The Animal House Shelter in Huntley, IL, and would hope that you could help support them with a donation.

Julie's memorial service will be held Saturday, May 26 12 Noon at Fredrick Funeral Home, 284 Park Street in Hampshire. Visitation at 10 am, a memorial service at 12 noon,

followed by a celebration of Julie's life with a lunch/picnic at their home, 280 Grove Avenue in Hampshire, just a few blocks away.

Comments

“ I'm so sorry for your loss. Very good memories of Julie. We spent many fun weekends playing euchre with her and her first husband in the early seventies. I'm very glad I got to visit with her last December. Our sympathy to her family.

“ Although I didn't know Julie well, I know that she was a good person. We were in the same, small graduating class from Clinton. My memories of her from that time are that she was kind, thoughtful, smart, and smiled easily. When some of the gals from our class met together for brunch in Clinton last December, I was delighted that she sat down next to me, and we chatted about our lives. It's so difficult to believe she's gone. My heart and prayers go out to you and her family. I'm so sorry for your loss.

“ Thoughts and prayers to Julies family, I was shocked also about her death thinking the obituary for her brother was a misprint. I am happy that I got to see her when a group of girls that we graduated with get together at the holidays.

“ I'm so sorry to hear this. When I saw her brothers obituary and that she had predeceased him I was praying it was a mistake. I so enjoyed meeting up with Julie during the holidays after many years. She was my childhood neighbor and one of my best friends in high school, she was in my wedding in 1970. She was an amazing person and my heart is so heavy tonight. RIP Julie. My sympathy to you all.

“ I offer my prayers to her family and friends. I knew Julie through Cigna Healthcare and worked with her on several projects. I truly enjoyed working with Julie and we had a great time finishing our projects together. I know this is such a loss to everyone who knew her and loved her.
