“ I'm so sorry to hear this news. Rosemarie was a smiling, welcoming face when I started volunteering for 4-H on the county level. Throughout the years we laughed and sighed over stories of Chicago, early vacations, dogs, poultry, zucchini and gardening, Caputos and Woodmans, holidays, and her extended family. Fair won't be the same. My thoughts and prayers are with you, Ed and Tracy.

“ Rose and Ed were our good friends for many years. We have many fond memories of our get-togethers, especially trips to Harvard for breakfast and Twin Gardens farm for Mairi corn. She truly will be missed.

“ We were so very saddened to hear of Rosemarie’s passing. Our hearts go out to Eddie and family. May loving memories help to bring comfort to your heart in the days to follow. Rosemarie was such a kind and loving person. I have known her my entire life. She played a very important role in my life, especial in the early years. Rosemarie had a way of making every occasion extra special. I remember when I was just a young teen; Rosemarie invited me and my cousin, Carol Ann, to spend the night for a pajama party. It was a real blast and something I never forgot over the years. She was one of those kinds of people that made every occasion memorable. I will always remember her great sense of humor, her laugh, and generosity.
Love cousins, Joan & John Frascone
