“ *My deepest sympathy for your loss. Always so nice. Eileen, Cindy and Laura your mom and her daughters gave him so much joy. When I seen your mom and Bobby at my parents Anniversary party they just looked so happy. I felt so bad I missed him at my dad's funeral. The weather was so bad that day we ended up a little late. Cherish your memories. Love....Sheri(Mortensen) Vogel*

“ *Bobby and I first met when I rented one of his apartments. Then we became friends at Butenschoen's farm where I worked and where Bobby got back with the horses after an extended absence due to allergies. ...hence he wore a mask most of the day. He always reminded be of a little bandit. Lol As fate would have it I took care of the first horse he bought back then, I think around 2003-4. The horses name was Glen McNeil and we had a blast racing him. I have a 1000 stories about Bobby and Butenschoen Farm. It was a delightful time. Bobby absolutely loved the horses and being a part of every aspect of the business. After his family, it was definitely his happy place. And all of us at the farm that knew him were happy we did know him. He was one of a kind...a always a gentleman! I love him and Marilyn like family...and will miss them. RIP Bobby*
