“ You were always so much more than just my best friends dad. I'll never forget how you always picked us up from school because we didn't want to ride the bus or how you'd rock out and hit the steering wheel when a good song came on the radio. I'll never forget you taking us to reb lobster after cleaning Nicko's room yet again. So many memories... but most importantly I'll never forget how you showed me not all dads were like mine and some dads are always there for their kids!! From the bottom of my heart I'm gonna miss you!!

“ "Mars and J.D." will love you forever as will David and I. You always be their grandpa that bought chocolate chip cookie sandwiches and cinnabon Oreos. You always told me what good parents David and I are and how proud you are of us. Always ment so much coming from you. I miss you so much already.
