“ I am shocked and deeply saddened by the news of Deb's passing! We went all through school together (K-12) and she was one of my best friends. I spent quite a bit of time at the Tegtman's while growing up. Although we hadn't kept in touch, I will miss visiting with her at our HHS class reunions. Deb was very funny and bold and I thought of her every year on her birthday. My deepest sympathies to her loved ones.
