“ *Aunt Dolores, we were so sad to hear of your passing. I was so blessed to have you for my godmother. I can still picture you celebrating your 100th birthday with your family and friends. What an amazing life you had. You will be missed by all. I am so glad I was able to visit with you before we left for Arizona, hoping to see you when we returned in April, but God had other plans. May you rest in peace in His heavenly care with Uncle Everett.*

“ Grandma always loved the color violet and lavender. I will always cherish many memories, especially all of the homemade and hand decorated birthday cakes! Getting in trouble for "sneaking a taste" of those yummy grapes, or cherries BEFORE she got them canned or made into jelly! I will cherish the many stories of her life growing up. I will miss her wisdom and insight. I will miss her "squeaky kisses!" I know she is enjoying her heavenly home
