“ *Dolores was one of the nicest and funniest people I have ever known. Spending time with her always led to interesting discussions and lots and lots of laughter. One time on the many trips down to Chicago for CMAP meetings we took the train one. Walt's cousin Dick a practicing lawyer in the loop joined us for a discussion. The 3 of us talked and laughed until the conductor stopped us. He wanted to know if we wanted to exit the train or go back to Chicago. We had been sitting in the station for 20 minutes and did not realize it. Always a fun time with Dolores.*

She has left the world a great legacy in the children and grandchildren she left behind.

Heaven is a better place with her there.
