“ Mid 90s Homecoming Kurt, Keith, and I were staying up for the night and taking sleeping shifts in efforts to catch potential kids from TPing and egging the house. Well we all fell asleep in Astro van parked in the driveway and we woke up to a completely TPed van. Apparently Erika and her friends came back and found us sleeping there and plotted that hilarious trick. Times back then were so innocent and fun. Hard to believe she's gone. Wish we could make it to the services to pay our respects. My parents will be in attendance. Sending love, support, prayers, and flowers to Erika, Rylan and the Larson family.

Love,
Chris, Bo, and Lily Nicholson

“ I met Erika probably about 18 years ago. We worked together, and from the moment we met, we became great friends. She was a beautiful person with a beautiful soul. We shared so many things in common it was like we were sisters. Always there for each other. We had so many great times together, shared so many laughs. Every moment spent together was a blessing. She will live forever in my heart. Love you girl, can't wait to laugh with you again.
