“ I met Gordy shortly after he moved to South Dakota. Took a liking for him right away. He was a great tenant in the apartment complex that I managed at the time. He took great pride of the apartment and he always kept an eye out for me when something didn't seem quite right over there. I learned a lot from his gardening skills. Glad I got to get know him. RIP buddy.

“ I am very sorry to hear of Gordy's passing. I used to see him in Lennox and he always was cheerful. He had a smile, said hello and talked to me whenever I saw him. He will be missed. RIP buddy!

“ My condolences to Peggy and the rest of the family and friends. I knew Gordy for over 30 years but had only seen him a handful of times since he moved to SD. I always liked him and knew if I needed a hand with something, he would do what he could....Another friend gone too soon. R.I.P.
