“ My name is Ken Klein who grew up with Henry starting in 6-7th grade in Palmer Elementary school in Chicago. We went to Lane Tech together and on several fishing trips to his Dad's cabin in Ontario, Canada. After graduation in 1954 I lost contact with Henry we called "Hank" and only until recently learned of his passing. Since I never had a brother, and Hank took that part in my life and missed him dearly after graduation when we both went our way in life.
