“ I just today heard the news of Jean’s passing and am so deeply sorry for you, Russ, Kathy, Linda, and your families. Jean was my mother’s best friend from back in the old days on Thomas Street in Chicago—it’s a testament to their closeness that my middle name is Jean. She was as kind to me and my spouse Julie as if we were part of her family, and remained a caring friend to Mom. She will be sorely missed. I wish you every comfort and send you all much love. My heart aches for you.
