“ *My deepest condolences to John's family on their loss. You will all be in my prayers.*

John and I have been friends since 1985. He has always been one of my best friends. Some of my best and most favorite memories of my younger years include John. He taught me so many things through example, most of all to be kind and compassionate to others. He was always there for me. Regardless of how bad of shape I was in, he would be there to help unconditionally. He had the biggest heart of any person I have ever met, honestly, no one can even compare. I loved him like a brother and will truly miss him. It was an honor and a blessing to have shared much of my life with him. Heaven has gained an angel.
