“ Blessings to all, What a wonderful Aunt, mother grandma greatgrandma, and Friend!

I was blessed at an early age to know my Aunt, she had the most beautiful bedroom!

I was sharing a bedroom with two Sisters! Lenna and I always had fun together, she painted my nails, beautifully. Swimming at lake Geneva, with Dinner at the German restruant! We did take Uncle Fred too! He had a clock repaired their. I often regret not buying land in Galena, with Fred and Lenna, Dick and I enjoyed a trip together with them. Well, Northern woods was great for them!

We were like sisters as well, having our children about the same time. Helping with a birthday party was a good memory. We had many. Loved her dearly as did my family!

We will keep the family together. Christmas Eve gatherings were the best, Gustafson I'm sure are together with our families too! God has blessed us Greatly!
