“ So sorry for your loss. My husband Dan, worked with Lowell at some point--I don't remember where it was. He really liked him--think he even adopted a cat from us at one point---We both had Tammy's-----surely he will be missed

“ Sorry to hear of Lowell's passing.

I believe a lot of years ago he and I went to a one room school house on Bartlett Rd. north of route 58 called Hilltop. Or maybe it was Hanover Countryside where my mother taught. Where Streamwood is now was just a corn field across Bartlett Rd. It was just a 3 room school at the time.

William, just sayin...Lowell never cared for you as you were a loser in his book, may he rest in peace knowing that his little girl will be taken care of instead of being abused by you
