“ ‘ve known Noreen for almost 7 years and during that time, I had two children. I remember when I returned to the office after both my children were born, we discussed motherhood and raising babies. She said being a mother was such a gift and a child is the greatest blessing. She was such a proud mama. Noreen radiated warmth and kindness, I always felt uplifted and comforted after our conversations. I'll miss that sweet smile and her wisdom. My prayers to her family...

“ What a Wonderful Woman and a friend to myself and my wife Beata. Our hearts are broken. I have known Noreen since our company started cleaning for Power Wellness 18 years ago. Since then, I got to know her personally, occasionally helping her with the rental property she once had in Bloomingdale. Always asking about my family, always concerned for others. Thank you for always getting me paid quickly. You will be dearly missed Noreen.

“ I've worked with Noreen from almost the beginning. I always enjoyed our talks about our families and our most fun topic - our pets! :) She always liked to give me a hard time, but of course it was all in fun and I'd give it right back! We recently had a long chat at her cube and she gave me a hard time for not coming around to her side of the office very much (kidding of course....). I'm glad we had that time. I am going to miss her so much. She was a **WONDERFUL** woman with a very big heart. My thoughts are with you at this difficult time.

“ I did not know Noreen long, but over the last year I always was appreciative for the mischievous twinkle in her eye and sweet smile as she would say "What do you want." May your family find comfort in the stories and memories you share of Noreen.

Noreen was a very kind and thoughtful co-worker. When she heard my husband had cancer, she never failed to ask about him when I saw her. She even shared advice on how to deal with radiation burns and kept him in her prayers. She will be greatly missed. My sympathy to her family.
