“ Uncle Roger was not officially my uncle but he was my dad's best friend and always like an uncle to me growing up. He is my Godfather and a man who I always looked up to even if he did not know it! I will forever have the best memories of going to Uncle Roger's and Aunt Linda's house to play with their daughters when I was younger. I still remember while us girls were playing he, Aunt Linda, and my parents were always having a great time together, chatting and laughing I will always remember him as a God-loving man who was so funny and smart. Uncle Roger will forever hold a special place in my heart. RIP Uncle Roger. I love you.
