“ In 1979/80 Sam Sr and Debbie ushered me into the moving industry as their elite fleet dispatcher at Mayflower Transit Co.....two of the nicest and highest quality folks I've known in this industry. Many years later, in 2013 I met Sam Jr. when working with Beltmann. Sam Jr. encompassed all the attributes of his parents, kindness, humility, understanding, caring, and helpfulness when no one else could. To Sam Sr., Debbie, and all of the family, I pray for your peace and comfort through this period. Sam Jr. was a class-act and we will never forget him!

“ I have known Sam for just about 20 years as a work associate. I would visit him at least once a year. Over the years we became good friends. In our line of work, there have been many instances where we needed to work very closely to help resolve issues for our mutual customers. Sam always treated every situation calmly and professionally. He was always very calm and mild mannered and I appreciated that and will always remember him that way. When I would visit, he always made time for me and we Always had a great time.

Sam will be sorely missed. I know that the way he carried himself did rub off on others around him.

I will never forget you Sam and am so lucky to have been fortunate to get to know you over the years!

All the best to Sam's family and friends as they deal with this very sad time.

“ To Sam's Son, Parents and Sister, We send our deepest condolences for your loss.

*My family and I are very sorry to hear of his passing. It makes me think back in a flash when things like this happen to all the good memories. When Sam and I first met in Clarkston we became good friends. He even stood as a groomsman in our wedding. Sam and I always tried to make plans to hangout but the timing never seemed to work out so we would talk on the phone for an hour or two when we could. Going to miss my buddy, we had some great times.
Sincerely, Richard Chittick and family*

“ *I have so many memories that make me smile when I think about Sam. One of the best will be how much he loved to be around my 2 little boys. He loved to sneak them sweets and give them fast rides all over the office using his chair on wheels haha This was a must for him! Sam left me good memories to smile back at and a great example of what dedication to our Beltmann looks like. Rest in peace forever my friend. -Izzy B.*
