“ Shirley and Marv, Tootie and Ward, and Marv and I were all young marrieds at about the same time 70+ years ago. We started our families, got together, worked hard and made good lives. Shirley could manage to feed everyone even if we stopped by without much notice. She was a great sister-in-law, and deserves the place I'm sure she has in Heaven. *Marilee Taylor*

“ A lot of my memories of Aunt Shirley are on the farm. I remember going over there a lot. I remember spending the night and we would go in the living room and watch the outdoor theater movies until Aunt Shirley would come and chase us out of there and shut the curtains because the movie that was on was inappropriate for kids. We had a lot of fun going to the farm. I love you Aunt Shirley ❤️
