“ Great memories sitting in your corvette(s) as a kid and going for rides. The flip-up headlights were the coolest thing I ever saw, and you were always happy to demonstrate!

Sitting in/going for rides in your different tractors at work always made for a fun field trip when I was little.

You always kept your little farm fun with tons of animals to play with, especially on the holidays; my sister and I loved it. We will miss you tons.

*-Your nephew,
Tyler*
