KH

“ *My condolences and prayer to Matilde and family and friends . I only knew Sunny through Matilde. Matilde and I have known each other since kindergarten. But when I ever did see Sunny she always had a smile on her beautiful face. She left this family way too young . But the good Lord was calling her . So her pain and suffering could stop . For all of you who have never been around this horrible illness. It is hard and not fun all the pain and suffering for Sunny and the family . It is a hard journey to have to travel . But now Sunny is Matilde and the family own special angel who is watch and guiding above . She is still with you in your heart and memories treasure them and the love you shared with her. Rest in peace with no pain and suffering for this beautiful young lady . Prayers and hugs during this rough road a head.*
