“ Vicki is an amazing individual. We met in Lake Geneva, WI. I started my internship at the resort she was already at. She welcomed me with the most welcoming smile and our friendship grew and lasted. We were close from that day forward. Her family welcomed me into their home, their are absolutely no strangers with them. The most welcoming group I have ever met in my life. Even when life got in the way and we drifted apart, they day we reconnected it was like the conversation had never stopped. She welcomed my family right back into her home and our families clicked like time had never stopped. Heaven has gained the most amazing angel, her beaming smile and that amazing laugh is echoing as I type this. Until our paths cross again my friend

“ *Vicki is one of the nicest gals I ever met. Always smiling and positive. Friendly and helpful. Such a huge loss for all. Thankfully she is at peace and cancer free. We will see her again. God holds her and her family in the palm of His hand. She will always be remembered as a loving person.*
