“ Dear Cousins, we’re so sorry to hear that Wally has passed away. I have fond memories of spending some of my summers at your house “in the country” and hanging out with all of you. I also remember when Wally joined the Navy and he and my Dad drove together to California, since they were both stationed on the Coral Sea for its cruise to South Asia. I know my Dad was proud of him, and all of you, that served in the military, just like him and your Dad.
Love, Bobbie & Robert
